AMERICANS WIN AT

Score Is Four to Nothing Against Old Cantabs-Game Played in Rain.

London, May 1 -(Copyright, 1902.)-In a sharp, swift contest, the American polo team this afternoon at Ranelaga defeated the Old Cantaba, the first English team to meet them. The score was four goals to

The game was played for the most part The game was played for the most part in rain, which varied from a gentic drixtle to a driving storm, but in spite of this nearly 200 enthusiasts, many of them women, watched the game from the balcony. The spectators included Mr. and Mrs. William C. Ensits and Mrs. Payne Whitney.
Mr. Foxnall Keene was unable to take part in the game, and his place was taken by Mr. Agnely.

Mr. Poxnall Keene was taken part in the game, and his place was taken by Mr. Agasiz.

The ball was driven off into American territory, but was soon back at the other end of the field. The Cantabe by good work, drove it back until "off-side" play was made by one of their men. They arterwards again got control of the ball, but Cowdin by a succession of shart strokes placed it for J. M. Waterbury, who arove it straight between the goal posts.

In the second period Cowdin made a goal in a few minutes after the play began.

The third was the critical period. Here it was thought the Cantabs had scored. Off-side play was made by the Cantabs, but Cowdin, not knowing or paying any attention, got the ball by dexterous work and scored in four strokes from the middle of the field. The Cantabs supporters cheered and the score went up for the Englishmen, but the Americans protested and the goal was not counted. Cowdin made another goal before the send of the period, and from this time the result was never in doubt. Just before the end Agastiz, by a well-timed stroke, increased the score to four goals.

Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed -The Secret of Long Life of Olden Times Revived.

The Remedy Is Free to All Who Send Name and Address.

After years of patient study and delving into the dusty record of the past, as well as following modern experiments in realms of medical science. Dr. James W. Kidd, 1594 First National Bank building, Fort Wayne, Ind., makes the startling announcement that he has surely discovered

the elixir of life. That he is able, with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seem to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free, to any one who is a sufferer. In sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health, Rheumstism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic, Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in

a space of time that is simply marvelous. Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the enthe system, blood and tissues; restores normal perve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy to-day, It is free to sufferer. MAIL CLERK RIFLED LETTER. Became Demented on Run-Astonished Brunswick by Liberality.

Brunswick, Mo., May 3.—W. F. Heinman, a railway mall clerk on the Omaha-Brunswick division of the Wabash road, became demented while on duty and rifled a registered pouch, securing \$1,000 in cash. When he completed his run, which terminates here, he began spending his money freely. The Postmaster here telegraphed the authorities at St. Louis, who came to take charge of Heinman. They found about \$500 of the money on his terson.

Before being arrested Heinman sent a telegram to the division inspector at St. Louis, saying he had rifled the pouch "in defiance of iaw and mankind, and am now at Brunswick, distributing \$1.051 in defiance of law." Brunswick, Mo., May 3.-W. F. Heinman

Council Bluffs, Ia., May 2.-W. F. Heinman, arrested at Brunswick, Mo., has been on the Wabash run eight years and bore a good reputation. T. G. Turner, cashier of the First National Bank, said his bank had shipped \$1,000 to a Silver City, Ia., bank by Heinman's train. He learned that the money had not reached its destination, and he had been trying to trace it for a few days.

The hody of a man whose identity has not been established was found floating in the river at the foot of Locuis street has night by William Krump of No. 1256 Sprace street. The body was taken to the morgue.

The only article found on the man's person that would lead to his identity was a rent receipt, which hore date of October 25, 1901. The receipt was from the William A. Meagher Rent Estate Company to William Edwards. It was blurred and it was a difficult matter to make out the street number, but it looked as if it had been written "1009 North Seventh street." Inquiry by the police at that number revealed that no person of that name was known there. The man was apparently 25 years old. He were a suit of blue overalls.
